Welcome

Welcome to the first annual North Star Kiko Classic. Whether you are an experienced owner of Kikos or a newcomer to goats, we are glad you decided to join us today! Terms and Conditions of Sale

North Star Kiko Classic, 10-Fourteen Farms, or agents acting on behalf of the sale, including Top Livestock Company and Pit Kemmer Auctioneers, are not responsible for the health or pedigree information of animals or lots in the sale.

All agreements or guarantees are between the buyer and the seller. Any problems encountered after the sale are to be worked out between the buyer and the seller.

All goats are sold as-is and become the property of the buyer at the drop of the gavel.

Every effort will be made to ensure the correctness of the catalog. However, all announcements from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

Transportation of animals purchased through the online auction platform is solely the responsibility of the buyer.

In the case of a bidding dispute, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

Semen straws and embryo arrangement/pick up/transfer is between the buyer and seller. Neither North Star Kiko Classic nor its agents will be held responsible for incorrect or missing straws.
